## Shop and save in New York City

Die Gelegenheit ist günstig: Jetzt rentiert es sich richtig, in New York City einzukaufen. Der Dollar ist im Keller — die Stimmung an der Ladentheke deshalb umso höher.

**CLAUDIA HELLMANN** verrät Ihnen, wo es was am günstigsten gibt.   

The newest show at the Guggenheim Museum, a big Broadway play, exciting new architecture — there are so many reasons to visit New York. And every time I've visited over the past 15 years, I've told myself I had to see it all.

Well, maybe not every time. There is something else I like to do before I focus on the city's culture: I simply have to do some serious shopping for a day or two. Shopping can be a guilty pleasure. But when the prices are so good, and the exchange rate cooperates, what is there to feel guilty about? The incredible markdowns and special offers that you can find in New York make it seem a sin not to shop.

Over the years, I have developed a great shopping route through Manhattan, and I've put it all down on paper: it's a two-day itinerary that saves time and money, and it guarantees that you'll get the best of what the city's bargain shops have to offer. And while you're hunting for good quality at good prices, you can keep yourself going with a taste of the city at New York's classic cafés.

### Enjoy!

<b>bargain</b> [ˈbɑːrɡɪn]	Schnäppchen
<b>exchange rate</b> [ɪksˈtʃeɪndʒ reɪt]	Wechselkurs
<b>guilty pleasure</b> [ˌɡɪlti ˈpleʒər]	etw., was man gern tut, obwohl es nicht gut (für einen) ist mit einem schlechten Gewissen behaftet
<b>itinerary</b> [aɪˈtɪnəri]	(Reise)Plan, Route
<b>markdown</b> [ˈmɑːrkdɑʊn]	Preisabschlag
