**28** **California road trip** medium

Join us for sunshine, scenery and kitsch along the Pacific coast. We start at Venice Beach, where musclemen rule the sands. Then it's up Highway 1 to Hearst Castle and Monterey, with lots of fun stops in between.

**35** **Travelogs** medium

Unst is Britain's most northerly populated island. Wild and dramatic, it is hard to reach, but not hard to love. Lois Hoyal enjoys puffins and the place that may have inspired Robert Louis Stevenson to write *Treasure Island*.
