Language work: Fluency practice
Preparation: None
Materials: Various articles
Time: 15 minutes

Draw two noughts and crosses grids on the board. Write in these topics from the magazine: airports, butterflies (p. 6), empty-nest syndrome (p. 7), slavery (p. 8), soylent seekers, Harry Potter, Paul McCartney (p. 9), landfills (p. 10), plastic (p. 12), post-Brexit (p. 13), climate change, heatstroke (p. 16), vegan (p. 24), rap music (p. 30), Western riding (p. 37), Amsterdam (p. 40), pocket money (p. 59), Lady Gaga (p. 76).

Divide the class into two teams (Xs and Os). The teams take it in turns to choose a square. If they can talk about the topic there for one minute, they win the square and can place their mark on it — a nought or a cross.

The winning team is the one that scores 3 Xs or Os in a row (diagonally, vertically or horizontally).
